About SVKM

SVKM's | Institute of Pharmacy
Dhule

Shri Vile Parle Kelavani Mandal (SVKM), Mumbai is already a brand name in education world. It is a public charitable trust and society. It is in existence for almost 90 years, born in 1934 with adoption of a school which started in 1921. Over the past from almost 90 years, the Mandal has developed a large educational complex in Vile Parle, Mumbai and has spread its wings to metro cities like Bangalore, Hyderabad, Chandigarh, Indore, Shirpur, Navi Mumbai, Ahmedabad, etc. From its beginning with the Swadeshi Movement, the Mandal has now grown into an educational foundation promoting global thinking, consistent with national interest and promoting the values of professionalism, social sensitivity and dynamic entrepreneurship. Dhule is largely emerging as one of the biggest future hubs of technology and education. It has gained a strategic advantage for being on the junction of three national highways viz. NH-3, NH-6 and NH-211. SVKM has taken an initiative to develop state of the art engineering and pharmacy institutes to impart quality education in a huge campus spread over 33 acres of land on the outskirts of Dhule.

About the Institute

The SVKM's Institute of Pharmacy, Dhule, offers Diploma in Pharmacy, Bachelors Program in Pharmacy, and M. Pharm. (Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance and pharmaceutical Chemistry). All the programs are approved and affiliated to respective regulatory bodies. Matchless infrastructure, highly competent faculty members, innovative pedagogy, ample hands-on, beyond syllabus learning, practical exposure through visits (to industries, hospitals, retail pharmacies), round the year scientific, co/extra-curricular events, competent team TPO are some of the institute USPs which we practice for 360 degree development of SVKM IoPians besides brining job offers for interested students months before they graduate. High-end classrooms and industry standard laboratories ensure that students get the best even beyond what they deserve. Besides academic goals, institute prepares students for excelling at social front as well. Unparalleled amenities in terms of cafeteria, hostels, indoor/outdoor sports etc. provides overall productive and peaceful experience to our students. Institute welcomes all the potential students, as per government norms, for enrolling in different programs.

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

01

Vision, Mission & PEOs

Vision

To pursue excellence in pharmaceutical education and research to develop competent professionals

Vision (D.Pharmacy)

To pursue excellence in pharmaceutical education to develop competent healthcare professionals to serve the society

Mission

- M1:** To impart quality pharma education that leads to a self-reliant student community through efficient faculty & state-of-the-art infrastructure.
- M2:** To inculcate professional skills to cater the current needs of Pharmaceutical Industry.
- M3:** To develop center of excellence in pharmaceutical research and training.
- M4:** To nurture the holistic development of pharmacists contributing to socio-healthcare system.

Mission (D.Pharmacy)

- M1:** To provide quality pharma education in an effective learning environment.
- M2:** To inculcate professional skills to cater the current needs of the healthcare sector.
- M3:** To empower pharmaceutical care with ethical and human values.
- M4:** To nurture the holistic development of pharmacists contributing to the socio-healthcare system.

Program Educational Objectives

Upon completion of the program

1. Graduates will establish themselves in different areas of the pharmaceutical field.
2. Graduates will pursue higher studies.
3. Graduates will contribute to the healthcare sector and serve the society.

Scholarships

Scholarships/GPAT stipend as per government norms can be availed by eligible students.

Fee Structure: As prescribed by the Fee Regulating Authority

College Timings: Monday to Saturday: 10.00 a.m. to 5.30 p.m

Uniform : White T-Shirt, Blue Jeans

Dr. Sameer N. Goyal

Ph.D. (AIIMS, New Delhi); PDF (USA)

- A visionary mentor with matchless leadership traits
- Recently been featured three times continuously in world's top 2% scientists list by prestigious Stanford University, USA

We believe that by providing continuous inspirational guidance in curricular and extracurricular activities, we can nurture and develop the students' natural leadership skills. SVKM offers several opportunities in pharmacy through campus interviews with prominent national and multinational firms, as well as appropriate guidance for higher education. I wish that the next generation will notice the change by embracing SVKM's Institute of Pharmacy and discovering a reputable career in the domain of health care.

Awards & Accolades

- Received ₹ 97.50 Lakh grant as Principal Investigator from various government funding agencies.
- Received ₹66.5 Lakh grants as Co-principal Investigator from various government funding agencies.
- 2 Research Articles published in Nature Publishing Group (NPG) journal "Scientific Report"
- Pharma Innova Award for Best Research Guide from Rajnibhai V. Patel Trust (Troikaa Pharmaceuticals)
- Cumulative impact factor more than 325.

Courses Offered & Intake : D. Pharm. (60) | B.Pharm. (100) | M.Pharm. (48)

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

Institutional Committees

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

@ a Glance

- Faculty members with industry exposure (F & D, Technology Transfer, RA & QA-Validation)
- Faculty members ranked in World AD Scientist List
- Cumulative experience of > 70 years (Average experience: 10 years)
- 150+ international publications
- 2000 + citations (Google Scholar)
- 06 Indian patents filed
- Recipient of research grants: DBT, Govt. of India project worth ₹24.00 lakh besides University grants

Instruments

- Multi-station tablet press
- Extruder and spheronizer with compressor
- High speed homogenizer
- Brookfield Rheometer
- Franz diffusion apparatus
- Ultrasonicator
- Humidity control unit (stability chamber)
- Tray dryer
- Eight station dissolution apparatus.

Courses Offered & Intake : D. Pharm. (60) | B.Pharm. (100) | M.Pharm. (48)

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

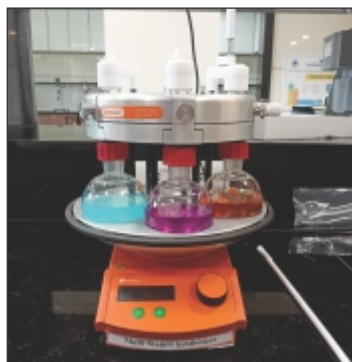

@ a Glance

- **Cumulative experience: 100+ years**
(Average experience: 11 years)
- **Faculty members with international collaborations like NIH, Bethesda & Northern Kentucky University USA University of Bonn & University of Wurzburg, Germany**
- **150+ international publications**
- **1500+ citations (Google Scholar)**
- **12 Indian / PCT patents filed/granted**

Instruments

- **Multi station synthesizer**
- **Perkin Elmer IR spectrophotometer**
- **Microwave synthesizer**
- **Rotary evaporator**
- **Waters HPLC**
- **Schimadzu 1900 UV spectrophotometer**
- **Separate high-end workstations for Computer Aided Drug Design**

Courses Offered & Intake : D. Pharm. (60) | B.Pharm. (100) | M.Pharm. (48)

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

@ a Glance

- Faculty members received research grants worth more than ₹2 Cr.
- Faculty members received prestigious Olson Award by Elsevier in 2013 for the best international publication on neuropeptides.
- Cumulative experience: 55 years (Average experience: 13.5 years)
- 150+ international publications
- 4500+ citations (Google Scholar)
- 5 international/national patents filed/granted.

Instruments

- BioTek Synergy H1 Microplate Reader
- All maze video tracking system
- Autoanalyzer
- Leica crystal*
- Leica fluorescence microscope*
- Stereotaxic apparatus

Courses Offered & Intake : D. Pharm. (60) | B.Pharm. (100) | M.Pharm. (48)

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

@ a Glance

- Cumulative experience: 35+ years (Average experience: 09 years)
- 38+ international publications
- 286+ citations (Google Scholar)
- 01 Indian/PCT patents filed/granted

Instruments

- Waters HPLC
- Shimadzu UV-VIS spectrophotometer
- Perkin Elmer FT-IR
- Lab India Dissolution test apparatus
- Lab India Friability Apparatus
- Rotary shaker
- Lab India Disintegration test apparatus
- Brookfield viscometer

Teaching & Learning

Classrooms

Our classrooms have modernized infrastructure with smartboards for learning. The classrooms are fully air conditioned and Wi-Fi supported along with fire safety alarm systems and 24x7 CCTV surveillance.

Beyond Classroom

We believe in completing the curriculum along with covering content from beyond the syllabus. For adding this extra-edge of knowledge in our students, we promote utilization of other platforms also. This helps the students to learn something beyond their curriculum and gain an exceptional advantage over others.

Courses Offered & Intake : D. Pharm. (60) | B.Pharm. (100) | M.Pharm. (48)

Pharmaceutics (15) | Pharmacology (9) | Pharmaceutical Chemistry (9) | Pharmaceutical Quality Assurance (15)

Student Centric Teaching Learning Practice

To improve students' participation in classroom, we provide students ample opportunities to get involved in the learning process through various fun activities.

ICT

We strongly trust the impact of technology in learning. Hence, to improve students' understanding, we utilize various ICT tools like YouTube, Moodle etc. This improved teaching learning practice enhances the student engagement in classroom.

Courses designed by SVKM's Institute of Pharmacy, Dhule

Online certificate course

AI in Pharmaceutical Sciences

ICMR GRANT:

Dr. Kartik Nakhate (PI) and Dr. Sameer Goyal (Co-PI) have been awarded a grant of Rs 29.80 lakh by the Indian Council of Medical Research (ICMR), Government of India, New Delhi, for his research project in neuropharmacology. The grant will be used to find new drug targets for a brain disease called Alzheimer's disease. There is a high risk of Alzheimer's disease in patients with diabetes, hypertension, and thyroid problems.

@ Research front

A highly motivated, potent and go-getter, research-driven Team M. Pharm.

- A dedicated, research-oriented leadership who has been recently featured in world's top 2% scientists
- All M. Pharm. mentors are Ph.D. in their respective specializations with proven track record.
- Cumulative teaching & research experience of more than 250 years
- Recently, institute got an approval of research fund from ICMR, (Govt. of India) worth ₹3 million for exploring newer horizons for management of Alzheimer's disease.
- Lately institute received cutting edge computation tools (for AI-driven drug discovery) from NVIDIA, a global leader in artificial intelligence hardware & software.
- Frequent filings of patents, publications in world recognized publishing houses like Elsevier, ACS, Taylor & Francis, Springer, etc.

Value of Seminar:
To provide excellence in pharmaceutical education and research to develop competent professionals.

Medium of Seminar:
To impart quality pharma education that leads to a self-reliant student community through efficient faculty and state-of-the-art infrastructure.
To accrete professional skills to cater the current needs of Pharmaceutical Industry.
To develop codes of excellence in pharmaceutical research and training.
To impart holistic development of pharmacist's core being to serve healthcare society.

Alumni Speak

“ The college journey can be exciting and transformative period in person's life. It typically starts with the process of choosing a college and university that aligns with your academic and personal goals. The journey of SVKM's Institute of Pharmacy, Dhule was truly incredible, filled with personal growth, unforgettable memories and valuable life lessons. It's challenging to pinpoint a single best experience as there were numerous highlights throughout my college life. .

- Mr. Priyanshu Girish Relan (2019-2023)

”

“

SVKM'S Institute of Pharmacy, Dhule seamlessly blends rigorous academics, vibrant campus culture, experience of esteemed faculty members, state-of-the-art facilities, intellectual curiosity, personal growth, and a strong sense of community. This blend empowers students to excel in their fields and make a meaningful impact on the society. Many deserving students of our batch have been placed thanks to our faculty members, and training and placement department. I would like to thank all the faculty members for their valuable support.

- Ms. Chaitali Pardeshi (2019-2023)

”

“

I'm very grateful to be a part of SVKM's loP. This college has given me the opportunity to unleash the hidden qualities I had and explore my potential to the fullest. I would like to give all the credit to the continuous support of all the teaching staff of the college. I'm quite sure that the values SVKM' loP has developed in me, will act as a cornerstone in my future endeavours.

- Ms. Hemal Eknath Pachpande (2019-2023)

”

“

My years in SVKM's Institute of Pharmacy, Dhule were filled with learning and experiences of diverse sides of pharmacy. Every day brought challenges for us, here we learnt how to deal with them. "A good student is always curious and enthusiastic about learning new skills" is the biggest life lesson I'll carry with myself from this institute.

- Ms. Pranjal Anil Patil (2019-2023)

”

“

I would always be grateful to SVKM's Institute of Pharmacy, Dhule, for giving me an opportunity to introduce myself to professional world, boost my confidence, develop leadership qualities, and build personality with multi-dimensional learning techniques and industry exposure. I would also like to thank all the teachers and dedicated experts for being helping hand and supportive. Would also like to thank training & placement cell for getting me the first campus placement at V-tech Solution. In addition, It was tough to leave all those memories behind I created here with my dear ones. I will always cherish the feeling of studying at an institute, which focused on career enhancement & overall development.

- Mr. Rushikesh Manoj Saindane (2019-2023)

”

“

My experience at the SVKM's Institute of Pharmacy in Dhule empowered me and propelled me towards self-reliance. I appreciate all the teachers that helped us and gave us advice during the course. I adore the SVKM Institute of Pharmacy's infrastructure. The activities in which I participated gave me the confidence I needed for further development.

- Mr. Harshal Rajendra Navarkar (2019-2021)

”
