ACTION TAKEN REPORTS OF EMPLOYERS' FEEDBACK ON CURRICULUM

Shri Vile Parle Kelavani Mandal's Institute of Pharmacy, Dhule (SVKM IOP) is affiliated to Dr. Babasaheb Ambedkar Technological University (DBATU), Lonere, Maharashtra.

The curriculum of the B. Pharmacy program is prescribed and provided by the DBATU. It is a four-year degree program divided into eight semesters.

The Pharmacy Council of India (PCI), New Delhi revised the Choice Based Credit System (CBCS) pattern of curriculum for the B. Pharm Program and accepted by DBATU. It has been implemented by the SVKM IOP from the academic year 2017-18.

Institute has collected the feedback on PCI curriculum (2016-2017 pattern) from one of the important stakeholder i.e. Employer and suggestions given by them were analyzed and considered with special attention.

Stakeholder	Count	Important comments received	Action Taken
Employers	09	Interactive teaching methodologies should be implemented while delivering the curriculum to enhance the active learning experience.	Institute has implemented interactive teaching-learning strategies such as educational games, inquiry-based learning, think-pair-share, flipped classrooms, etc. to enhance the active learning.
		In present curriculum, industrial training is desirable. So, maximum students from the institute are encouraged to go for industrial internship to incorporate hands-on laboratory experience and enhance the practical knowledge.	Training and placement cell of the institute has taken an initiative for sending maximum students to industrial internship.

	To keep a pace with the advancements in current pharmaceutical industry, the practical knowledge on some subjects such as biotechnology is required.	The suggestion is communicated to the university.
	Soft Skills training should also be a part of the curriculum.	Communication skills is a dedicated course in first semester of B. Pharm which inculcate various soft-skill set in students.
	Industry-oriented curriculum should be designed to match the present advancements in pharmaceutical industry.	The suggestion is communicated to the university.
