A thousand salutes to in this great nation of ours. May we make it become even more prosperous and great. I wish you a very Happy Republic Day 2023!

Greetings!

I am pleased and delighted to present the much-awaited and coveted first biannual bulletin of the year 2023 on the occasion of the Republic Day of our great nation. Our institute engages students in both curricular and extracurricular activities. Such activities are useful for the personal and professional development of the students. This in-house bulletin is a platform to communicate and showcase various happenings in the institute and outside as well. This periodical summarizes all the activities and accomplishments of varied stakeholders (our esteemed faculty members, supporting/admin staff, and promising budding pharmacists) for the period August 2022 to January 2023. It provides an opportunity to all external stakeholders as well, to know about us in a closer manner. We are committed to provide the quality and skill-based education to our students (as part of the Creative Thinking Development practice) besides providing ample scope to our faculty members for professional growth (as part of the Train the Trainer practice). I congratulate all the students and faculty members for their efforts, achievements, and contributions to make our institute one of the most sought-after institutes in the entire region.

Our team has made tremendous strides to bring you this edition. Every milestone achieved, would never have been possible without the guidance and support of our management. At last, I appreciate the efforts of every individual who has been a part of this periodical in/directly. Our bulletin serves as a platform for various stakeholders to share their ideas, insights, and accomplishments. I would like to encourage everyone to submit their participation, accomplishments, and other relevant information/announcements. I am excited to see the contributions that will be made in the upcoming issues. I hope readers will get an enriching experience by browsing this edition.

Happy Reading!

NewsKast Biannual Bulletin

Shri Vile Parle Kelavani Mandal (SVKM), Mumbai is already a brand name in education world. It is a public charitable trust and society. It is in existence for almost 90 years, born in 1934 with adoption of a school which started in 1921. Over the past from almost 90 years, the Mandal has developed a large educational complex in Vile Parle, Mumbai and has spread its wings to metro cities like Bangalore, Hyderabad, Chandigarh, Indore, Shirpur, Navi Mumbai, Ahmedabad, etc. From its beginning with the Swadeshi Movement, the Mandal has now grown into an educational foundation promoting global thinking, consistent with national interest and promoting the values of professionalism, social sensitivity and dynamic entrepreneurship. Dhule is largely emerging as one of the biggest future hubs of technology and education. It has gained a strategic advantage for being on the junction of three national highways viz. NH-3, NH-6 and NH-211. SVKM has taken an initiative to develop state of the art engineering and pharmacy institutes to impart quality education in a huge campus spread over 33 acres of land on the outskirts of Dhule.

About the Institute

The SVKM's Institute of Pharmacy, Dhule, offers Diploma in Pharmacy, Bachelors Program in Pharmacy, and M. Pharm. (Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance and pharmaceutical Chemistry). All the programs are approved and affiliated to respective regulatory bodies. Matchless infrastructure, highly competent faculty members, innovative pedagogy, ample hands-on, beyond syllabus learning, practical exposure through visits (to industries, hospitals, retail pharmacies), round the year scientific, co/extra-curricular events, competent team TPO are some of the institute USPs which we practice for 360 degree development of SVKM IoPians besides brining job offers for interested students months before they graduate. High-end classrooms and industry standard laboratories ensure that students get the best even beyond what they deserve. Besides academic goals, institute prepares students for excelling at social front as well. Unparalleled amenities in terms of cafeteria, hostels, indoor/outdoor sports etc. provides overall productive and peaceful experience to our students. Institute welcomes all the potential students, as per government norms, for enrolling in different programs.
