**A thousand salutes to all in this great nation of ours.
May we make it become even more prosperous and great.
I wish you a very Happy Independence Day 2023!**

Greetings!

I am pleased and delighted to present the much-awaited and coveted second biannual bulletin of the year 2023 on the occasion of the Independence Day of our great nation. Our institute engages students in both curricular and extracurricular activities. Such activities are useful for the personal and professional development of the students. This bulletin is a platform to communicate and showcase various happenings in the institute and outside as well. This periodical summarizes all the activities and accomplishments of varied stakeholders for the period January 2023 to August 2023. It provides an opportunity to all external stakeholders as well, to know about us in a closer manner. We are committed to provide the quality and skill-based education to our students besides providing ample scope to our faculty members for professional growth. I congratulate all the students and faculty members for their efforts, achievements, and contributions to make our institute one of the most sought-after institutes in the entire region.

Our team has made tremendous strides to bring you this edition. Every milestone achieved, would never have been possible without the guidance and support of our management. At last, I appreciate the efforts of every individual who has been a part of this periodical in/directly. Our bulletin serves as a platform for various stakeholders to share their ideas, insights, and accomplishments. I would like to encourage everyone to submit his or her accomplishments, and other relevant information / announcements. I am excited to see the contributions that will be made in the upcoming issues. I hope readers will get an enriching experience by browsing this edition.

Happy Reading!

About SVKM

Shri Vile Parle Kelavani Mandal (SVKM), Mumbai is already a brand name in education world. It is a public charitable trust and society. It is in existence for almost 90 years, born in 1934 with adoption of a school which started in 1921. Over the past from almost 90 years, the Mandal has developed a large educational complex in Vile Parle, Mumbai and has spread its wings to metro cities like Bangalore, Hyderabad, Chandigarh, Indore, Shirpur, Navi Mumbai, Ahmedabad, etc. From its beginning

with the Swadeshi Movement, the Mandal has now grown into an educational foundation promoting global thinking, consistent with national interest and promoting the values of professionalism, social sensitivity and dynamic entrepreneurship. Dhule is largely emerging as one of the biggest future hubs of technology and education. It has gained a strategic advantage for being on the junction of three national highways viz. NH-3, NH-6 and NH-211. SVKM has taken an initiative to develop state of the art engineering and pharmacy institutes to impart quality education in a huge campus spread over 33 acres of land on the outskirts of Dhule.

About SVKM's Institute of Pharmacy

The SVKM's Institute of Pharmacy, Dhule, offers Diploma in Pharmacy, Bachelors Program in Pharmacy, and M. Pharm. (Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance and pharmaceutical Chemistry). All the programs are approved and affiliated to respective regulatory bodies. Matchless infrastructure, highly competent faculty members, innovative pedagogy, ample hands-on, beyond syllabus learning, practical exposure through visits (to industries, hospitals, retail pharmacies), round the year scientific, co/extra-curricular events, competent team TPO are some of the institute USPs which we practice for 360 degree development of SVKM IoPians besides brining job offers for interested students months before they graduate. High-end classrooms and industry standard laboratories ensure that students get the best even beyond what they deserve. Besides academic goals, institute prepares students for excelling at social front as well. Unparalleled amenities in terms of cafeteria, hostels, indoor/outdoor sports etc. provides overall productive and peaceful experience to our students. Institute welcomes all the potential students, as per government norms, for enrolling in different programs.

Co-Curricular Activities

Sansleshan : Collaborating Ideas | 2nd March 2023

Institute organized an Inter-collegiate level scientific model and poster competition. The air was filled with excitement and anticipation as students from various colleges gathered to display their talents and innovative ideas. The grand occasion was jointly inaugurated by the presence of Dr. Kartik Nakhate, the President of IIC, and Dr. Yogeta Goyal. The primary objective behind organizing this competition was to cultivate design thinking and foster innovation among the students by providing them with a platform to explore their scientific abilities and creativity. Level 1 welcomed the participation of students from the 10th and 12th grades, while Level 2 was exclusively dedicated to the bright minds pursuing D. Pharm, B. Pharm, and M. Pharm courses. With passion and dedication, these young individuals presented their scientific models and thoughtfully created posters, highlighting their extensive research and imaginative ideas. Furthermore, the participants were given an opportunity to deliver oral presentations on the fundamental concepts of pollution reduction. As the informative workshop reached its conclusion, the head of the IIC department took the stage to express gratitude to all the participants, mentors, and organizers who made this event a resounding success.

Seminar : GPAT | 22nd Feb 2023

One-day seminar on last-hour GPAT 2023 preparation was organized in the presence of Mr. Sachin Jadhav, GPAT/NIPER mentor who provided aspiring pharmacy students with valuable insights and strategies for success in the exam. Experienced resource expert covered topics such as exam pattern analysis, time management, problem-solving techniques, and MCQ strategies. The seminar included interactive sessions, and guidance for study materials to enhance participants understanding. It concluded with students feeling motivated and overwhelmed with the knowledge to tackle GPAT exam with confidence and determination. Overall, the seminar concluded with insights of the necessary tools and knowledge to excel in their GPAT preparations.

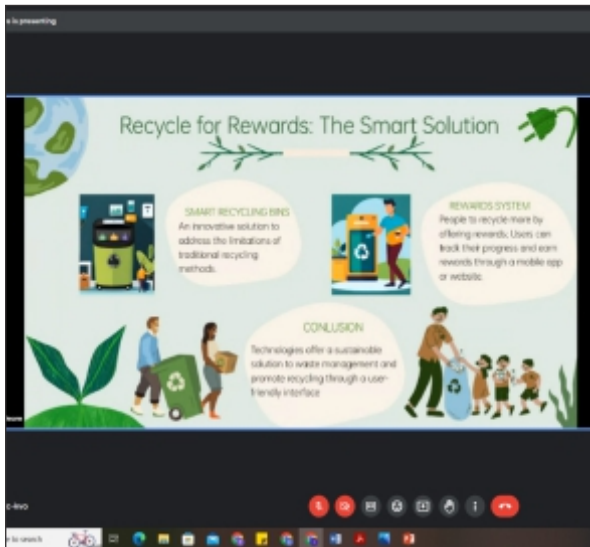

Guest Lecture on Quality by Design | 20th April 2023

A guest lecture was organized with the esteemed guest speaker, Dr.DattaPawde, Assistant Professor at SVKM's, NMIMS School of Pharmacy and Technology Management Shirpur, Maharashtra. The lecture, titled "Quality by Design," promised to shed light on a fascinating subject. Throughout the session, the lecture encompassed a vast array of subjects, including an insightful overview of QbD, its essential elements, and the diverse tools associated with it. Dr.Pawde's practical tips and guidance on applying QbD in formulation left a mark on the minds of those in attendance, fostering a newfound sense of confidence and inspiration.

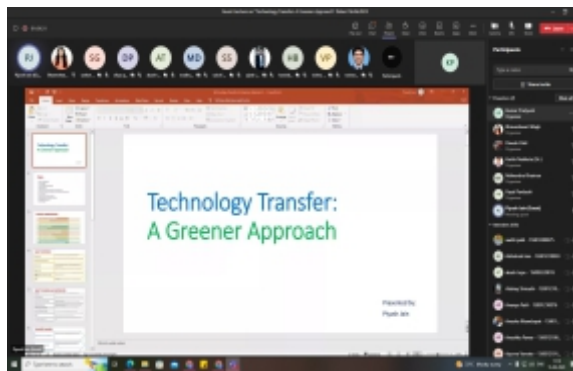

World Environment Day | 5th June 2023

The Institute organized an event for celebrating World Environment Day, featuring a National Level e-Poster Competition and an intercollegiate Debate competition. The focus was on promoting green techniques and combating plastic pollution. The Poster Competition received an overwhelming response, with 45 participants, including 25% from outside Maharashtra. The entries were judged based on originality, creativity, and relevance, with the top three winners receiving Certificates. The Debate competition encouraged critical thinking and lively discussions on environmental issues. The Institute aimed to raise awareness and inspire students to lead sustainable lives. The events left a lasting impact, with a sense of responsibility and determination to protect the environment and find innovative solutions to pollution.

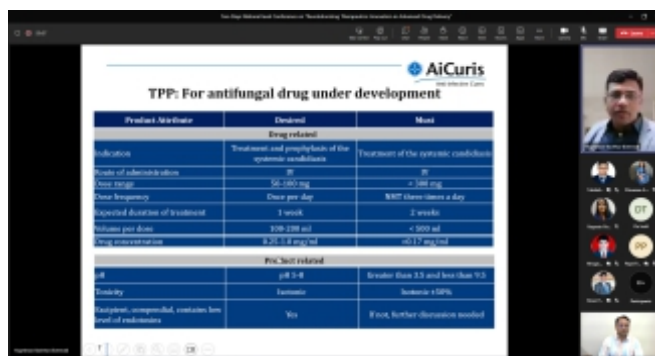

Expert Talk: Technology Transfer | 13th June 2023

Institute hosted a Guest lecture by Mr. Piyush Jain on the topic of "Technology Transfer: A Greener Approach." Mr. Jain, a renowned expert in the field, enlightened about the importance of environmentally friendly practices in technology transfer. His lecture shed light on innovative approaches and strategies that can help foster sustainable development while transferring technological advancements. Students felt excited to learn from Mr. Jain's expertise and gain valuable insights into how we can make technology transfer processes more ecologically conscious.

Expert Talk: National Level Conference | 23rd June 2023 to 24th June 2023

The SVKM's Institute of Pharmacy in Dhule, in association with IPA Dhule Local Branch, organized a two-day online National-level conference on "Revolutionizing Therapeutics: Innovations in Advanced Drug Delivery". The conference aimed to bring together researchers, academicians, industry experts, and students to discuss the latest advancements in drug delivery systems and their potential to revolutionize therapeutics. The event featured renowned speakers who shared their expertise and insights through keynote addresses, panel discussions, and interactive sessions. Participants registered from many regions of the country and had the opportunity to interact, exchange ideas, and learn throughout these valuable sessions. The conference provided a platform for interdisciplinary discussions, illustrating innovation and technology upgrading in the field of drug delivery, and revolutionizing therapeutics on wider level.

DBATU DFIIIE: Startup Boot Camp | 26th June 2023

SVKM'S IOP Dhule had actively participated in Dr. Babasaheb Ambedkar Technological University, Lonere Forum for Innovation, Incubation, and Enterprise (DFIIE) for the Startup Boot Camp with three distinctive startup ideas. Amongst them, Two ideas were selected highlighting the remarkable innovation and entrepreneurial spirit within our institution. The first startup idea, presented by Mr. Chirantan Sonawane (S.Y. B.Pharm) and Mr. Mrugendra Potdar Sir, is titled "Medicated Bindies for Women." Their concept focuses on developing a unique and innovative product that combines traditional bindies with medicinal properties. The second selected startup idea is presented by Ms. Lubdha Badgujar (T. Y. B. Pharm) and Dr. Kartik Nakhate Sir, and it is called "Androgenometer." Their idea revolves around the creation of a cutting-edge device for measuring and monitoring androgen levels

Shiv Jayanti Celebration : Cleaning Campaign at Laling Fort | 19th February 2023

Shivjayanti, the birth anniversary of the great Maratha warrior king Chhatrapati Shivaji Maharaj, holds immense significance in our culture and history. In commemoration of this occasion, the students of SVKM's Institute of Pharmacy, Dhule, organized a cleaning campaign at Laling Fort, a historical site of importance. The event aimed to pay tribute to the legacy of Chhatrapati Shivaji Maharaj and promote the preservation of our historical heritage. The cleaning campaign took place at Laling Fort, located in the vicinity of Dhule. The fort is a cherished symbol of our history and serves as a reminder of the courage and leadership of Chhatrapati Shivaji Maharaj. Students of SVKM's Institute of Pharmacy actively participated in this initiative to contribute towards the upkeep of the fort and restore its magnificence.

World Bicycle Day : Bicycle Rally | 5th June 2023

The NSS unit of SVKM IOP, Dhule took the initiative in raising awareness for sustainable and healthy modes of transportation. The objective aims in raising awareness about the numerous benefits of cycling, including improving health and safeguarding the environment. The event witnessed enthusiastic participation from NSS volunteers and other students. The bicycle rally commenced at the main gate of campus and covered samatanagar. The route was carefully planned to ensure maximum visibility and engagement with the local community. Principal Dr. Sameer N. Goyal provided guidance and motivation to ensure the successful execution of the event.

जिंदगी

आज कुछ रूठा खुदसे हूँ।
शब्द हो या पथ खो बैठा कबसे हूँ।
यह सच है कि गलती मैं कर बैठा हूँ।
एक या दो नहीं अनेको बार कर बैठा हूँ।

गलतियों को क्या मैं ही पनाह देने वाला हूँ।
या जानबूझकर उन्हें सरपर चढ़ाने वाला हूँ।

हा जानता हूँ मैं।
गलतियां मुझसे हैं।
जानबूझकर या ना जाने पर हुई तो हुई है।
अपने पैरो पर कुल्हाड़ी खुदसे ही लगाई हुई है।।

जो मेरी कल तक ताकत थी।
वही मेरी आज कमजोरी है।
छोटे छोटे फैसले सबक सिखाने को तयार बैठी है।
असफलता की तलवार आज काटने को बेकरार बैठी है।।

असफलता यह शब्द बहुत कुछ सीखाता है।
या असफलता की चिंता प्रबलता दिखाता है।
मैंने क्या जन्म असफलता को पाने हेतु लिया है।
क्या यह डर मुझे नाकाबिल बनाने आया है।।

मैं खुदसे कबतक रूठने वाला हूँ।
इस डर को कबतक पालने वाला हूँ।।

फैसला मैं कर चुका हूँ।
अब इस डर के आंख में आंख मिला चुका हूँ।

ना डरता हूँ तुझसे यह उसको बता चुका हूँ।
अपने जीवन रास्ते पर लाने को फिरसे तयार हो चुका हूँ।

अब असफलता की गुंजाइश नहीं।
आना एक बार था उसे आके चली गई।
अब सिर्फ सफलता का इकरार है।
अब गलती की कोई नहीं दरकार है।

काल आया हो या ना आया हो।
जाना इसका तय जरूर है।
मेरा खुदसे लड़ना बाकी है।
मेरी जिंदगी में बुलंदिया पाना बाकी है।

- मनीष राजेंद्र सोनार

आझाद हूँ परिंदा ना बंदिशो का बोझ आहे
मेरे भी कुछ सपने है जो मुझको करना सच है।
जो भी मुझे करना वो में खुल के हु बताता
ना कोई रोक तो उनको पुरा करता जाता ॥
मिलता सबका साथ इसलीये आज मे यह हू
पर कभी कभी सोचता क्या लायक हू जहा हू?
क्यु के
मुझे जैसा कोई और भी जिसकी आँखो मे भी ख्वाब
ना देता कोई साथ उसका वो अकेला और गुमनाम है।
क्या होगा एक दिन सच जो उसका दिल चाहता है।
कोई देगा उसे हीसला के हम तेरे साथ है
पर देखना फिर भी वो ख्वाब क्यु की हम तेरे साथ है ॥
